## Private Brunches

We love to brunch at the London Chef. Whether you're looking for a casual family style affair, or a more elegant brunching experience, The London Chef is the perfect place to host your next brunch!

Private brunches are the perfect gathering for your family and friends, or to celebrate a bridal/baby shower, birthday, or any other special occasion.

We believe in one-of-a-kind events. Whether you love mimosa bars, caesar stations, or the best yogurt parfaits you've ever had, one of our chefs will work with you to plan a bespoke menu ideal for your event, budget, and vision.

Seated brunches are ideal for groups up to 20, but we can accommodate up to 50 for a more casual brunch experience. Brunches start at \$40.00 per person, and vary dependant on the menu. Once you have a chosen a date, we will collect a 20% deposit, and the remainder can be after your event..

Looking forward to brunching with you!
