

## West Coast Best Coast

We love living on the West Coast! We have partnered with the best of the best to bring you West Coast Best Coast—one part boat trip, one part cooking class, one part long summer lunch—the perfect addition to your summer plans!

This exclusive six-hour session starts with brunch & mimosas aboard the luxurious Springtide. With spectacular views all around we will drop crab traps, learn about local & sustainable seafood, enjoy fresh sashimi (right off the fish!), and relax in the sun.

Once back on dry land we will head to The London Chef—our award winning interactive cooking school to sample local antipasti and Blue Grouse wines before getting down to business and cooking what we caught. We will enjoy our seafood feast at our long dining table with lots of crusty bread & cold wine.

West Coast Best Coast is perfect for anyone visiting Victoria, and for anyone who already lives here! Public dates will be offered on our calendar May-September.

Contact us for information about booking private sessions—this class offers an exciting teambuilding activity, corporate outing, friends/family event and pre-wedding party.

Packages start at \$235.00 pp.

We look forward to spending the day on the water and in the kitchen with you!
